Effective Governance:

Effective Governance comes from high-levels of engagement and attendance in meetings and beyond. Directors and Governors are expected to pre-read all materials and form questions in advance of meetings. Based on an understanding of the data/information, Directors and Governors can better support and challenge their school and the Trust. [OLT Governance Handbook 2025-2026]

Voting and Quorum (taken from OLT Governance Handbook)

- Every resolution to be passed at a full Board meeting, or any item requiring approval at a meeting of the Operations Committee or of the Quality of Education and Safeguarding Committee, must be determined by a majority of votes of the voting members of the Board or of the committee, who are present (or represented by proxy) at the meeting. This is also the case if only a quorum is present.
- The 'quorum' means the minimum number of voting Board or voting Committee members required to be present at the meeting, which in all cases is three. At the Quality of Education and Safeguarding Committee, and in relation to items requiring approval which are specific to a school, the quorum cannot comprise voting governors who are allocated to a different school. At the AGM, the quorum is a majority of Members present in person or by proxy and entitled to vote upon the business to be transacted.
- If there is an equal number of votes, the chair (or the person acting as chair) - provided that he or she holds voting rights - has a second (or casting) vote.
